Hi Sarah,

We are pleased with our partnership with LA Family Housing, and the incredible success they had in placing 53 individuals from the Paxton/Bradley encampment into housing through Project Room Key in the early half of this week.

Now that the individuals have moved out, and many were transported back to collect remaining items of interest, we are left with a large amount of trash, debris, and bulky items. As such, we would like to request a posted CARE+ cleaning to service the area.

Thank you,
Paola
